

8.5.0 Patch Notes for eCOMS and eIACUC Users

- System-Wide Enhancements:
 - Added SmartForm links to the My Inbox (aka Personal Page) for all users, as well as the general IACUC and COMS pages for site administrators.
 - Added species search filter to IACUC page for site administrators.
 - Added new locations and departments associated with Harvard University.
 - Fixed bug where the incorrect Principal Investigator Name would appear for certain IACUC and COMS protocols.
 - Fixed bug where the Current Annual Renewal date was removed for certain COMS protocols.
 - Fixed bug where Biosafety Officers were not being assigned to certain COMS protocols.
 - Fixed bug where the Submission Type was incorrectly assigned to certain COMS protocols.
 - Fixed bug where COMS Expiration Notifications were not sent after granting an extension for COMS protocols.
 - Disabled New Reportable Event feature.
- Workspace Enhancements:
 - Added sponsor name to IACUC approval letters.
 - BSO Risk Assessment for COMS protocols is editable for site administrators after BSO review.
- Smartform Enhancements for eIACUC:
 - Unified page formatting (e.g. font type and size, text field size, spacing, numbering) as well as improved instructions, expanded table fields, and updated links.
 - Updated list of anesthetics and analgesics to conform to HCCM's [formulary](#).
 - Fixed bug where uploaded standardized procedures were hidden from the approved IACUC protocol.
 - "Animal Protocol Information" page:
 - Added HUID as a searchable term for personnel.
 - "Monitoring and Humane Endpoints" page:
 - Added text field to justify death-as-an-endpoint studies.
 - "Chemical Agents" page:
 - Added option to upload Safety Data Sheets.
 - "Animal Disposition" page:
 - Text field to describe animal transfers is now visible when selecting the Transfer option.
 - "Researcher Training and Experience" page:
 - Removed AALAS Learning Library training history.
- Smartform Enhancements for eCOMS:
 - Unified page formatting (e.g. font type and size, text field size, spacing, numbering) as well as improved instructions, expanded table fields, and updated links.
 - "General Information" page:
 - Added HUID as a searchable term for personnel.
